BRANCHING OUT TO PENN YAN: an update

Pictured, left to right: Mike Harris (Board Chair), Walter Konopski (VP Information Technology), Lauran Wilson (SR VP Development), Keith Orfanides (CEO)

The construction of a new branch in Penn Yan started with a ground-breaking on December 29, 2023. The building was designed by Larry Foor and Associates and is being constructed by Iverson Construction of Gorham, NY.

The new 5,000 square-foot building is located at 102 Delano Place, across from the Keuka Lake Outlet and directly behind the Casa Mezcal Restaurant, next to Carey’s Lumber. This location will be full-service with the latest in banking technology, two drive-thru lanes and a 24-hour drive-thru ATM lane. The branch is expected to have five to six new staff members at opening.

ServU CEO, Keith Orfanides expressed excitement at the opportunities this new office will offer. *“Establishing a Penn Yan location has been a goal of the credit union for many years. Our new Penn Yan location will be a great compliment to our Dundee office as we seek to bring the credit union difference to even more of Yates county.”*

A mild winter and favorable weather conditions this spring have allowed the project to have steady progress. If you have driven by lately, you may have noticed the bright windows and beautiful stonework that have recently been installed. Grand opening information will be coming soon. We look forward to welcoming you to our newest branch!
